

## ABOUT HSCA

Him Science Congress Association is first of its kind to be constituted in Himachal Pradesh. HSCA has been registered under the HP Societies Registration Act, 2006 (Reg. No. 566/2012) with its registered office at Shoolini University, Solan. The main objective of HSCA is to bring the Research community under one umbrella for the advancement and promotion of Sciences. It is a first initiative of its kind in this Himalayan State.

## ABOUT THE CONFERENCE

Innovations in science and technology can help to create inclusive and sustainable social and economic development. Indian Science is regarded as one of the most powerful instruments of growth and development, especially in the emerging scenario and competitive economy. In the wake of recent developments and the new demands that are being placed on the S&T system, it is necessary to embark on some major science related issues which have relevance to national needs and will be relevant for tomorrow's technology. Interdisciplinary and cross-institutional activities for the promotion of sciences are also important. This conference therefore is step forward to bring researchers from diversified disciplines together to explore the present and emerging scenario and a way ahead in Sciences in context to India.
