

ABOUT HSCA

Him Science Congress Association (HSCA) has been constituted with the thought of 'Promoting Excellence in Sciences' particularly in Himachal Pradesh. HSCA has been registered under the HP Societies Registration Act, 2006 (Reg. No. 566/2012) in 2012 and its registered office is established at Shoolini University, Solan.

In the first eventful year, HSCA brought the pioneers of various scientific fields together to enlighten and motivate sciences in the state. One of the main objectives of HSCA is to provide a common platform to diverse scientific disciplines to bring the entire research community under one umbrella for the advancement and promotion of Sciences. It is a first initiative of its kind in this Himalayan State.

Past Activities of HSCA

With its registration in April 2012, HSCA started serving Science through its various activities. Within four months of its registration, a one day seminar was organized on 24th August, 2012 at Shoolini University, Solan with the theme "NATIONAL SEMINAR on ADVANCES IN ENVIRONMENTAL SCIENCES". The seminar was very successful and served well its objective of developing interactions among the scientists and industrial community on current environmental challenges and create awareness among the young minds about environmental issues and their remedies. HSCA organized various science awareness lectures from time to time for the school children.

First Annual National Conference of HSCA was organized from 8th-10th March, 2013 which covered Chemical, Physical, Environmental, Mathematical and Biological Sciences. The initiative was appreciated and financially supported by BRNS, DRDO, ISRO and SJVNL. With a membership of more than 300, we hope to achieve our targets regarding "Promoting Excellence in Sciences".

Membership of HSCA is open to all. The fee may be paid through Demand Draft drawn in favor of HIM SCIENCE CONGRESS ASSOCIATION, payable at Solan or may be deposited or transferred to the following account

Account Name: HIM SCIENCE CONGRESS ASSOCIATION

Account Number: 0433000100749768, PNB, Solan, HP.

HIM SCIENCE CONGRESS ASSOCIATION

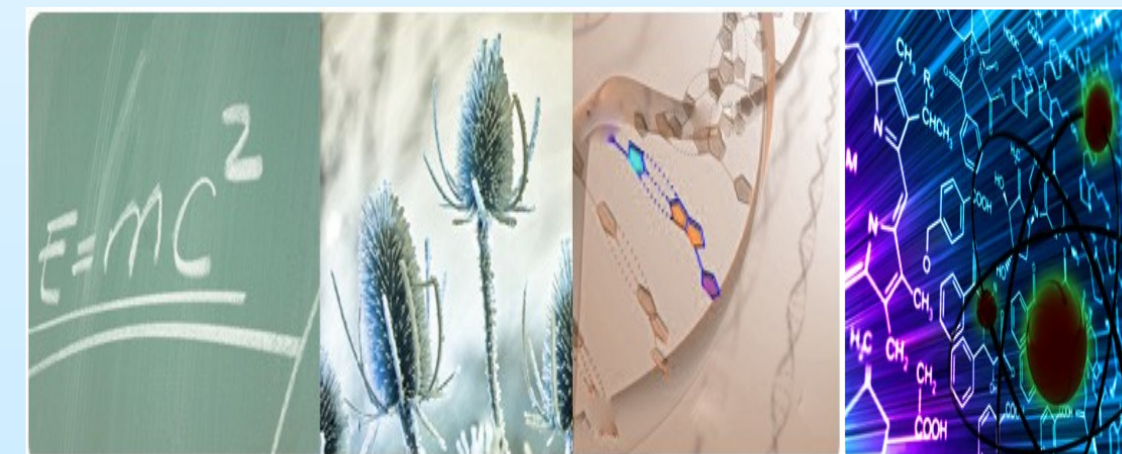

2nd ANNUAL NATIONAL CONFERENCE on

Science: Emerging Scenario & Future Challenges –II

May 17-18, 2014

At

**Himalayan Forest Research Institute, Conifer Campus, Panthaghathi,
Shimla, Himachal Pradesh**

Website: www.hsca.in

CALL FOR ABSTRACTS AND PAPERS

The 2nd Annual National Conference of HIM SCIENCE CONGRESS ASSOCIATION will be held at Shimla from 17-18 May, 2014. The participants for oral/poster presentation are requested to submit the extended abstracts (max. 200 words) on the theme of the conference. It should be in MS words, Times New Roman 12 points with 1.5 spacing on A4 size with 2.54 cm margins each side and to be sent through e-mail to sesfc2@gmail.com as an attachment. The name of presenting author should be underlined. The Organizing Committee is looking forward for your active co-operation and participation in the 2nd national conference of HSCA.

- Section A** Chemical Sciences
- Section B** Life Sciences
- Section C** Physical & Mathematical Sciences
- Section D** Environmental Sciences
- Section E** Pharmaceutical Sciences

REGISTRATION

All participants are requested to register in advance by sending the 'Registration Form' duly filled along with registration fee paid by Demand Draft in favor of HIM SCIENCE CONGRESS ASSOCIATION, payable at Solan. The 'Registration Form' may be downloaded from website of HSCA. Fee includes, Copy of conference Proceedings with your Abstract, Conference Kit, Cost of Lunches, Refreshments (Dinner??) etc)

REGISTRATION FEE

Up to 30th April 2014 On Spot

Academic, R&D Professionals:	Rs. 2000/-	Rs. 2500/-
Research Scholars	Rs. 1500 /-	Rs. 2000 /-
Students (PG & Below)	Rs. 800 /-	Rs. 1000 /-
Industry Professionals:	Rs. 3000/-	Rs. 4000 /-

(HSCA life members are entitled for 25% discount on the registration fees.)

ABOUT THE CONFERENCE

Innovations in science and technology can help to create inclusive and sustainable social and economic development. Indian Science is regarded as one of the most powerful instruments of growth and development, especially in the emerging scenario and competitive economy. In the wake of recent developments and the new demands that are being placed on the S&T system, it is necessary to embark on some major science related issues which have relevance to national needs and will be relevant for tomorrow's technology. Interdisciplinary and cross-institutional activities for the promotion of sciences are also important. This conference therefore is step forward to bring researchers from diversified disciplines together to explore the present and emerging scenario and a way ahead in Science in context to India.

ABOUT SHIMLA

Shimla, is the capital city of Himachal Pradesh, located in northern India. The elevation of the city ranges from 2100 to 2300 metres. Shimla is well known as a hub for India's tourism sector. It is among the top 10 preferred entrepreneurial locations in India. During May-June the climate of Shimla remains pleasant.

ABOUT HFRI

The Himalayan Forest Research Institute (HFRI) under Indian Council of Forestry Research and Education, Ministry of Environment and Forest, Government of India is located at a distance of 10 KM from the railway station and bus stand. It caters to the forestry research needs of the region comprising of the states of Himachal Pradesh and Jammu & Kashmir.

ACCOMMODATION

Outstation participants will be provided accommodation on request in the guest houses with nominal charges. However accommodation in different hotels can be arranged for which the tariff ranges from Rs.1000-5000/- per day.

HOW TO REACH

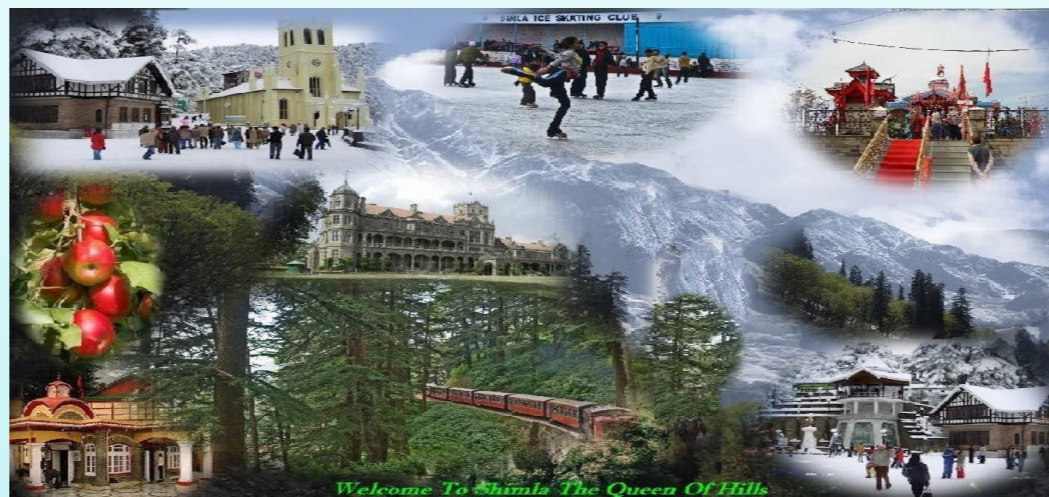

By Road: Shimla is well connected by an extensive network of roads. One may reach conveniently by taxi or bus from Delhi, Chandigarh and Kalka.

By air: The nearby airports are Chandigarh and Jubarhatti at distance of 20 KM from Shimla.

By rail: The nearest broad gauge railway station is at Kalka at a distance of 70 KM, while the closest narrow gauge railway station is at Shimla.

IMPORTANT DATES

Submission of abstract:	15 April, 2014
Acceptance notification:	17 April, 2014
Early Bird Registration:	30 April, 2014

AWARDS

HSCA gives the following awards every year:

- 1. Young Scientist Awards:** The Association gives an award and certificate to young scientists up to the age of 35 years for his/her contributions in the field of science.
- 2. Best Contributor Awards:** The Association gives an award and certificate to best contributor in oral and poster sessions separately in all sections.
