HIM SCIENCE CONGRESS ASSOCIATION

About HSCA

Him Science Congress Association (HSCA) has been constituted with the thought of 'Promoting Excellence in Sciences' particularly in Himachal Pradesh. Him Science Congress Association has completed its 10 eventful years. The aim of HSCA is to bring the pioneers of various scientific fields together to enlighten and motivate young scholars. Association is committed for promotion and cultivation of Scientific culture in the state. The HSCA has sponsored Children Science Congress organized by the Department of Science & Technology, Government of Himachal Pradesh, organized series of Skill Development and Motivational lectures for the school children in rural part of Himachal Pradesh. HSCA has more than 400 life members contributing for the promotion of science in the state. HSCA has organized series of National and International Conferences in the past. Previous conferences were held at Shoolini University (Solan), Himalayan Forest Research Institute (Shimla), Vallabh Govt College (Mandi), Hotel Inclover (Dharamshala), Atal Bihari Vajpayee Institute of Mountaineering, and Allied Sports (Manali), NIT Hamirpur and e-conference in 2021 and SPU, Mandi in 2022. These conferences were sponsored by various funding agencies such as DST, DRDO, ISRO, BRNS, SJVN and Himachal Tourism etc.

ABOUT DALHOUSIE

Dalhousie is a hill station in Chamba district, in the northern Indian state of Himachal Pradesh. It is situated on 5 hills – Kathalagh, Potreyn, Terah, Bakrota and Bhangora. Dalhousie Town was named after The Earl of Dalhousie, who was the British Governor-General in India while establishing this place as a summer retreat. Located on the western edge of the Dhauladhar mountain range of the Himalayas, it is surrounded by snow-capped peaks. Dalhousie is situated between 6,000 and 9,000 feet (2,700 m) above sea level. A trek up Dainkund Peak leads to Pholani Devi Temple. To the north, Subhash Baoli is a peaceful area with pine trees and panoramic views.
